LATE NEWS FROM MAUI

Telephone Co. Raises Stock.

MANY CATTLE BRANDED

Huelo Land Case Settled—Japanese Murders His Wife at Olaa Plantation.

(Special Correspondence.)

WAILUKU, Maui, Jan. 19.—The cowboys at Kahikinui have been showing that chutes are superior to lassos for the purpose of branding cattle. Ninety full-grown animals weighing from 250 to 350 pounds were branded in chutes within ninety minutes, a good record for the eight vaqueros engaged in the work. The boys also branded twenty-five young cattle too small for the chutes within sixty-four minutes by throwing them down with the lasso.

Monday and Tuesday the time was spent in building the cattle chutes or races of lumber brought from Honolulu by a schooner. Wednesday, Thursday and Friday driving in and branding was the order of the day.

Over 200 head cattle were stamped with the hot iron up to Friday night; today 300 more will be branded and on Monday next seven or eight hundred. Forty-one vaqueros have been kept busy, including Dr. Raymond and Mr. Wood of Honolulu. The cool, bracing air and violent exercise induced hearty appetites. A glorious time is reported.

MAUI TELEPHONE CO.

The annual meeting of the Maui Telephone Co. was held at the Pala post-office on January 15. W. S. Nicoll was elected secretary in place of C. H. Dickey, resigned, and the following officers were re-elected: H. P. Baldwin, president; D. C. Lindsay, vice president; E. B. Carley, treasurer, and W. O. Aiken, assistant treasurer and auditor. It was voted to raise the capital stock of the company from \$17,500 to the limit, \$25,000, for the purpose of paying off the old debt of about \$6,000.

To accomplish this 500 additional shares will be issued, 400 of which will be offered to stockholders at \$15 (\$10 being par value). The \$5,000 thus to be realized will be used to pay off the debt. The remaining 100 shares will be held in the treasury to be sold only in case of necessity. After April 1, 1901, the regular monthly dividend will be increased from 1 per cent to 1 1/2 per cent per month, and probably an extra dividend will also be paid at the end of the year.

MAUI POLO CLUB.

Some of the members of the Makawao Polo Club think favorably of the suggestion of the Oahu Polo Club in regard to the adoption of the rules of the American Association which exclude the off-side regulation in use in British clubs.

The Maui club will hold a meeting in about two weeks to discuss the matter. It is a question whether or not the game will not lose something of scientific value by permitting off-side play. At first consideration it seems as though without the off-side rule polo becomes nothing more than shilly on horseback.

HUELO LAND MORTGAGE.

The proceedings as regards the foreclosure of the mortgage for \$2,500 on the Huelo lands now under lease to the Maui Sugar Co. have been stopped by the payment of the principal, \$2,600, the interest, \$135.35, and the expenses of foreclosure, \$250, a total of \$2,985.35. This sum of money was paid in by the members of the "hui" who purchased the lands from Mr. Watson through J. K. Smythe, trustee. The shares in this "hui" or company, of which there are seventy (par value \$100), are now selling for from \$325 to \$350. The Hawaiian Commercial and Sugar Co. control the "hui" by virtue of the ownership of thirty-nine of the seventy shares.

The shareholders held meetings to consider ways and means of preventing the foreclosure of the Watson mortgage on December 20, 1900, at Spreckelsville store and on January 11, 1901, at Peahi store. Another meeting will be held at Peahi store (H. C. & S. Co.) Feb. 14 in order to levy an assessment pro rata of between \$700 and \$900 which were lacking to pay off the mortgage on the Huelo lands.

Some wonder was expressed as to the reason why the Maui Sugar Co. did not purchase the mortgage if possible, but those interested state that their lease is for twenty years, with the privilege of a renewal of twenty years at a very small rental, so the company is not interested in the purchase of the lands.

LAND CASE SETTLED.

An interesting case tried in the Circuit Court on Tuesday night was one in which Robert Gillespie was plaintiff and A. McBryde defendant. It seems that McBryde had entered a claim against Gillespie for him 100 acres of Olaa land at a certain price. In order to bind the bargain the plaintiff paid to defendant \$500, on receipt of which he signed the agreement. Some time afterward Mr. Gillespie wanted to transfer his interest to Messrs. Hime and Shipman, and agreed to do so for a consideration. He then destroyed his agreement with defendant, and called upon him with a request that he sign the new agreement in which the names of Shipman and Hime appeared. He wanted time to think over the matter, and when he arrived at a conclusion he declined to sign the agreement. Mr. Gillespie then brought suit to recover \$3,900, the difference between the value of the land at the time original agreement was made, and the value at the time suit was brought. The jury returned a verdict for plaintiff in the sum of \$2,900.

U. S. LABOR COMMISSIONER.

United States Labor Commissioner Olmstead is now on the Islands investigating the labor question. He came up on the Kinau one week ago and visited all the plantations along the coast between Mahukona and Hilo. Yesterday he was in Olaa, where he went thoroughly into the question of labor. He will leave for Maui tomorrow.

MURDER IN SECOND DEGREE.

The Japanese charged with the murder of his wife at Olaa plantation some months ago was tried in the Circuit Court on Monday. The jury returned

a verdict of guilty of murder in the second degree. The defense was very weak, but the jury did not believe there was premeditation, and as the implement used was a jackknife, they considered that the crime was committed on the impulse of the moment. When the man was arrested he made no denial, and it was thought he would make no defense.

OLD POLICEMAN DIES.

Joe Kama, who was until two years ago on the Wailuku police force, died at the hospital last Tuesday. He was retired from the police force on account of ill health and gradually lost his sight. The immediate cause of his death was heart disease. He leaves a paralytic wife and two small children.

NEW MANAGER AT PAUHAU.

Andrew Moore, manager of Pauhau plantation, has tendered his resignation as manager, and he will be succeeded by James Gibb, who for the past thirteen years has been head luna for the Hilo Sugar Company at Wainaku. Mr. Gibb will proceed to his new station in about a week, and will be followed by his family early in February. He will be succeeded at Wainaku by Mr. Valentine.

PERSONAL MENTION.

Captain Schmalz, of the Stanley, who arrived yesterday, and Mr. Vanhusen, visited Wailuku this forenoon and lunched at the Windsor.

Mr. Carl Jensen, contractor on the Spreckelsville ditch, has just returned from several months' visit to Denmark, and came over to Maui on Wednesday.

Mr. Harold Hayselden, brother of Deputy Sheriff Hayselden, of Wailuku, came over to Wailuku on Wednesday.

Rev. W. D. Westervelt, of Honolulu, came over on the Mauna Loa last night, and will go to Pala this afternoon, to occupy the pulpit of Rev. E. G. Beckwith for a month.

School Inspector S. Kellinohi returned from Honolulu on Wednesday with his family, and spent the remainder of the week visiting friends in Wailuku. He will make his home in Makawao.

A PROMINENT CHICAGO WOMAN SPEAKS.

Prof. Roxa Tyler, of Chicago, vice president Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Benson, Smith & Co., Ltd., wholesale agents.
